To whom it may concern. My name is Glenn Ford from Cairns, Australia. As a Christian leader I have ministered to people both men and women who have aborted baby's who feel so ashamed and guilty for what they have done (some have held this guilt for decades). I have seen the negative impact it has had on family's and individuals. The reason they feel such shame is because they know in their hearts that they have done the abominable sin of murder, they have this conviction even in spite of what the medical profession has told them.

So in conclusion I am apposed to the law of abortion because it does no good for anybody. I will not vote for anyone who is for murder.

Thank you.

Glenn Ford.
