Subject: I oppose Abortion Law Reform bill
Date: Saturday, 25 June 2016 4:49:44 PM

The Chairperson,

Parliamentary Committee re Abortion Law Reform

Dear Sir or Madam

RE the Abortion Law Reform Bill your committee is currently reviewing

Even in an age of terrorism, I understand that the location that a human is most likely to be killed is in a uterus.

I am strongly opposed to this proposed bill, as I understand it makes abortion even easier, removing protections & instituting no safeguards.

Yours faithfully,

Dr Ian Truscott
