Dear Research Director, Health, Communities, Disability Services and Domestic and Family Violence Prevention Committee,

Thank you for the opportunity to comment on the latest 'reform bill' to Abortion Law.

I am not in favour of changing the existing law. I am in agreement that an abortion should only be considered when the Mother's health is at risk.

As a Christian, I believe that life is sacred, even life in the womb.

The mark of a mature Society is the way we protect the vulnerable - be it both at the beginning of life and in our senior years.

Thank you for taking my view into consideration.

Yours sincerely,

Doug Berry
