Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016 and Inquiry into laws governing termination of pregnancy in Queensland

Dear Sir/Madam

I wish to advise that I am opposed to the above amendment – which seemingly removes all protections and has no safeguards. I feel there is responsibility to protect the right of the unborn child (as well as the mother), since the unborn child has no voice of his/her own.

I would sincerely ask you to vote against this amendment.

Yours faithfully

Kathleen Gane
