Subject: Abortion Law Refrom Opposition

Hi,

My name is Stephanie Ransom, I'm a 23 year old young woman from Brisbane and I oppose the bill put forward by Cairns MP Rob Pyne before parliament. This bill removes all protections for women and puts in no safeguards. The life of the unborn deserve better than this. This is not a solution. I do not support this bill.

I hope you consider this in your important proceedings as a committee.

Feel free to contact me further if necessary.

Stephanie Ransom
