Subject: changes to laws on Abortion.
Date: Saturday, 25 June 2016 9:12:09 PM

Dear Sir, I am writing as I am very concerned and oppose changes to the suggested act on the law abortion reform. This gives no protection to women carrying a live feotus and puts no safeguards for Medical practitioner opposed to this or to the human being formed in utero. I consider this murder which is against the law of our land.

Your Sincerely, Elizabeth Martin [REDACTED]
