Sir/Madam,

It is with deep regret, I hear you are considering to impose even tougher laws in view of the abortion bill in Qld. Pls be aware that it is already a DEATH sentence on the little voiceless BABY when life is taken away from the most beautiful of all Creation.

I PRAY with MILLIONS of those who value life at every stage not to go down the AMERICAN way.

Let us stand our own ground & be counted among those who TREASURE LIFE.

Besides, consider the long term harm done to the MOTHER, PHYSICALLY & PSYCHOLOGICALLY.

With much Prayer to STOP this EVIL & praying for all PARLIAMENTARIANS 7 their FAMILIES.

Claude Gonsalves
