Dear sir/madam,

I'm writing to express my opposition to the above bill. Abortion is a criminal act. I'm fully aware that is not a politically correct thing to say and in fact in my twenties, I was an avid supporter of abortion. I helped a friend procure an abortion and I truly believed she had every right to do that. It didn't suit her lifestyle. She was a young, unmarried professional and a baby would get in her way. Over the years, I have had 4 friends who aborted their babies, all because it didn't suit them to have a baby. However what I saw in ALL of them was not only did the baby die, but something in THEM died. I cannot understand why intelligent, well educated legislators cannot see that abortion is the taking a human life!!

Please reject this bill.

Thank you for considering my submission.

Yours faithfully,  
Thea Hennessey
