Dear Chairperson,

In relation to the above I oppose the bill before parliament which removes all protections and puts in no safeguards.

This year, my latest grand daughter was born 6 weeks premature. I hate to think of such babies being destroyed out of convenience or other selfish reason. I am please to report that little Phoebe is now nearly two months old and is doing well. A beautiful human being that was protected from harm as every unborn child should be.

Regards
Ian Moller
