To the Research Director, Health, Communities, Disability Services and Domestic and Family Violence Prevention Committee

In regard to Mr Pyne's proposed Abortion Bill we are fully opposed to his suggested amendments that remove all protections and allow no safeguards. These amendments are nothing short of murderous and rather than liberating women will only cause more heartache, emotional and mental health issues and further destruction of relationships and families. Please dismiss Mr Pyne's proposal.

Yours sincerely

Brenda & Rodney Lindsay-Holley
