Hi my name is Mary Huskisson

From [REDACTED]
[REDACTED]

Please do not legalise abortion in Queensland. Those babies are lives, with souls and they have a right to live. Even if they are unwanted by their mothers, there is always another choice. Plenty of woman who can't get pregnant would love to care for a baby of their own. So do not legalise the murder of 1000's of innocent children before they have had a chance to live.

I thank you for your time, and pray that God will give you all Wisdom to make the right decision.

God bless you for the responsibility you have taken on for Queensland.

Many Thanks Sincerely

Mary Huskisson.
