**Subject:** Abortion is an abomination.  
**Date:** Monday, 27 June 2016 10:27:55 AM

---

Abortion is not the answer. If a woman cannot support her child, there are many Australians who are begging to adopt a child.

Please do not destroy our beautiful country and people by introducing such a law. Australia must be strong against a law that puts a small life in danger of termination.

Sincerely,  
Dorothy Thompson
