Subject: Opposition to Rob Pyne's Abortion Reform Bill
Date: Monday, 27 June 2016 1:19:43 PM

Dear Committee Members,

We are writing this letter to strongly oppose the abortion Bill in Queensland put forward by Rob Pyne MP.

Every baby in the womb is a human being that deserves a chance at life and we believe it should not be any other human beings choice to take life from another human being! If a baby animal was taken from the womb of its mother and killed there would be an out cry!

Yours Sincerely
John and Nicky Briggs
