Committee, Parliament House , George Street, Brisbane Qld 4000

Dear Committee,

I have watched with disgust the denial of unborn person's rights of protection by the law in the world.

In the Christian Sacred Scriptures, God speaks of knowing His servants while they were in the

womb and of already having a role for them to perform.

Values, God centered values being the driver of our law, will act to safeguard us before God.

He will justly condemn those who kill the innocent in the womb.

You may not call the unborn a 'baby', but they are human life which has the dignity of the Incarnation of Christ.

Yours faithfully,

Terence Lane Mullins.
