Health, Communities, Disability Services and Domestic and Family Violence Prevention Committee,
Parliament House , George Street, Brisbane Qld 4000

Dear Committee

I want to vehemently oppose Rob Pyne M.P. 's Bill on Abortion Law Reform -- SO-CALLED REFORM!!

A child is NOT a part of the mother, but a distinct and unique individual. When a sperm and ovum come together, they become a new human being.

Babies are known to survive after just 24 weeks in the womb -- how can one be murdered for convenience, particularly when a healthy baby and a healthy mother?

It is NOT the Mother's body, BUT, a being IN the Mother's body.

Where are the rights of the Baby?

PLEASE OPPOSE THIS FRIGHTFUL POSSIBILITY.

Yours faithfully,

(Mrs.) Elizabeth Heckscher.
