To Whom It May Concern

i am writing to voice my disgiused at the abortion bill trying to be passed in Queensland.
Life is very valuable. Each and every life is a gift from God (the giver of life).
We have no right to legalise abortion at anytime.
As soon as the mother and father's cells unite to form the beginnings of a fetus, this is considered LIFE.
If we kill the unborn then we are committing murder.
I am sure you do not want this to be on your conscious as you stand before the maker of heaven and earth.
No plea that you give, will make it right for killing a human being.
You were not able to give life, then you should also not take life.
Be blameless before God and make a stand against this bill.

Kind Regards

Elizabeth
