Subject: Abortion should be in the criminal code
Date: Tuesday, 28 June 2016 12:06:03 PM

If speeding, smoking in public buildings, drinking under the age of 21 and other reckless behavior is in the criminal code so should be abortion. Work it out what the penalty or restrictions should be but in any case it is wrong and I wouldn't stand by anyone on the matter who thinks otherwise. Please Do the right thing. It may not be easy or popular but at least it is right.
