I wish to register my opposition to any changes to Queensland abortion laws as proposed by Mr Pyne of Cairns.

No woman or man has the right to choose who lives or dies except through a jury system of law for criminals.

A woman does not have the right to say an unborn baby should die because it is inconvenient for her to have another child.

The baby she wishes to kill is a separate body to hers and has every right to life, regardless of how inconvenient she may find it.

There are other options open to a woman such as adoption, without resorting to murdering an unborn human being.

Therefore I strongly reject Mr. Pynes reforms to Queensland abortion laws.
