Importance: High

Hello to whom it may concern,

It has been brought to my attention that abortion may be legalised in QLD.

Abortion is murder at any stage even from the moment of conception. I am 100% **against** it . And there is others i know who are also against it.

My name is Hannah Graley.

My email is

Jesus died for you and the world because he loves you and the world.

God did not come to Judge the world but to save the world.
