Hello

My understanding is that the Abortion Law Reform is proposing to legalise termination of pregnancies right up until 9 months gestation. So, in real terms, the reform is looking to legalise the murder of babies! This is abhorrent and wrong!

How can murder of an unborn baby be considered legal, when murder of a baby after it is born is illegal?

On behalf of all the unborn babies whose lives may be threatened, I implore you to reconsider your stance and prevent this reform from being passed.

Regards

Gayle Barnes
