Margaret McLoughlin
29/6/2016

Abortion is a taking away of Life a Baby is alive from their moment of Conception. He or She is a gift from God, and taking away a Life at 20 weeks or full term is Murder. If this bill goes ahead , I expect there would be a selling of Baby parts like there is in America. We do not need any more Killing of Babies in Queensland like there is in the rest of Australia and the World.
