Dear Sir,

I am a retired minister of the Gospel and am so distressed at the hundreds of unborn babies being killed in this, and other countries.

Abortion is one of the most dreadful crimes being committed in this country. To purposely kill an unborn child when that child could so easily be adopted to good parents is surely a crime.

I am begging our Government to take steps in reforming the abortion law giving life to the child and childless parents the joy of parenthood.

yours respectfully
