Hello.

My name is Theo Shemansky.  
My Address is  
My Mobile number is

I am writing in relation to the Abortion Law Reform Amendment Bill 2016.

This is a most abhorrent bill and I am completely opposed to it.

I am a doctor practicing in general practice on the Sunshine Coast. I oppose abortion and continue to oppose abortion as it is the willful murder of an unborn child. From the moment of conception this child has a life and has a right to maintain this life. We cannot simply ignore the rights of the unborn child, and legislators have a moral and ethical responsibility to stand up for the rights of those that cannot defend themselves.

Under our current laws there are already many abortions carried out everyday in Queensland. Please do not allow this practice to widen.

Thank you,
