Dear committee , I plead with you to please say no to the proposed abortion law reform bill put forward by Rob Pyne. 21 years ago my mother had the option to abort me but thankfully in the end decided not , despite the life changing impact my birth guaranteed. I cannot be more grateful for every day, having been given the chance at life. As a young women I can only image the impact that an unplanned and unwanted pregnancy can have, but murder is not the answer. I would not have existed if my mother had agreed to abortion! I shudder at the thought of the death of all the small children who deserve the same chance at life I was given. So please say NO to Rob Pyne's inhumane proposed abortion bill and save hundreds and thousands of innocent babies , who should be given a chance at life.

Kind regards,

Nanna Bettina De Beer
