Subject: Killing an unborn child is MURDER

Attn Committee Members:

What if YOUR mother had decided it was all too much and she had had these proposed laws & regulations at her disposal?

What difference does a day make? Terminate anytime prior to birth and it's "all good" under the proposed legislation but delay & kill this child immediately after birth and you're guilty of MURDER.

Cherish Life! it could be your own . . .

@ Mr Pyne

Get on YouTube and watch a few terminations as they've been documented.

If you have any heart at all, you'll no longer be able to just refer to them as "the foetus"

Sincerely
Merv Ruge
