Subject: Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016
Date: Thursday, 30 June 2016 12:57:48 PM

Dear Sir/Madam

I have the following objections to this Bill:

- (1) The Bill gives further legitimacy to the depraved practice of abortion. Queensland aborts 10 000 unborn babies per year. It is possible that under the Bill the unborn can be aborted right up to the moment of birth.
- (2) The explanatory note for the Bill refers to hardship and suffering of women seeking abortions. Yet the Bill ignores the physical and long term psychological effects of abortion, such as guilt.
- (3) By repealing those sections of the Criminal Code, the Bill could create an obligation on the part of doctors to perform abortions against their will.
