Subject: Letter to Qld parliament re Abortion Law
Date: Thursday, 30 June 2016 1:20:43 PM

Dear Sir/Madam,

As a mother of 3 young children, I oppose the bill before parliament and any changes to Qld Law concerning abortion. I do not want to live in a State that is known for having the worst abortion laws in the world. A foetus is a baby in a mother's womb, with a right to live. Abortion is murder.

Sincerely,

Roslyn Logan
