Dear Committee,

Re: Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016.

I will never forget the look on my friend's face when she told me she'd had an abortion & would regret it forever. Although I met Lynette (not her real name) when she was travelling - the baby she destroyed was never far from her mind. She mentioned how helpful it would have been to have information to guide her in other directions, ie: adoption rather than being given just one option - Soul destroying Abortion. Lynette would go on to get married to an American Soldier and I hope she would have had the amazing opportunity to have other babies - our paths have yet to cross again.

On behalf of Lynette & all the other guilt-ridden mothers-to-be who have had an abortion, I humbly ask you to oppose The Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016 introduced by Mr. Rob Pyne.

Finally, there are so many willing, loving & able parents who desperately wish to hold a child in their arms & raise them as their own.

However, these unfortunate, desperately hopeful, parents-to-be are denied a chance of adoption as local babies are virtually non-existent because of abortions.

Yours faithfully,

Signed:
