Abortion Law Reform in QLD

Further to my previous submission Please accept this as an appendix to my previous submission or accept as a new separate submission to the Health Committee work.

Interview: specific interview is from 10min Mark to 30min mark.

Track on SoundCloud: The Eric Metaxas Show - USA Congress Woman Marsha Blackburn! Investigation Committee for Marketing of baby body parts.

Queensland laws should ensure that we do not go anywhere near this. Each break down of the laws of Life are sadly one step closer to this horrendous industry. All hidden behind medical practices.

Be warned.
