Date: Thursday, 30 June 2016 2:53:04 PM

This is Australia's greatest social injustice and crime against humanity.

We, the undersigned, request the House to honour their pre-election pledges to the people of Queensland stating publicly that they would not weaken our current abortion laws. To respect the health and rights of women and the unborn child to be protected. We ask you to represent our voice and reject this irresponsible bill which removes all safeguards for women and unborn babies.
