To the Research Director (Health, Communities, Disability Services and Domestic and Family Violence Prevention Committee),

I write to you in relation to Mr Rob Pyne's Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016. I request that this Bill be rejected. As a mother of three living children and two miscarried children I have seen the wholeness and completeness of life at various stages of gestation. It sickens me that anyone would choose to terminate the life of an unborn child. As I sit here breastfeeding my 8 week old son I struggle to understand how people can say it is a woman's right to choose to kill a baby before birth. The unborn child deserves a chance at life just as the mother has been given. I truly hope the decision to reject this Bill is upheld.

Yours Sincerely,  
Lauren Yarrow
