Subject: Abortion Law Reform Ammendment Bill
Date: Monday, 27 June 2016 9:50:28 PM

I wish to record my **HORROR AND DISMAY** that Australia could stand so low as to consider a Bill which in its current form allows abortion right up to the day of birth for any reason

It is a **national reproach** that abortion is by far the leading cause of death in Australia

LETS HAVE SORRY DAY FOR HITLER<WE CONDEMMED NAZI GERMANY AND WE HAVE THE SAME DISREGARD FOR HUMAN LIFE.

This Bill sends the message that **certain types of people are disposable. THIS IS MURDER**

This BILL would make it even easier in Queensland to kill defenceless and voiceless **unborn human beings using the most horrific and inhumane methods imaginable.**

The Health Minister for Queensland said that between 2005 and 2015 records show **that 204 Queensland babies** were born alive after failed late-term abortions and left to die unattended

The sacredness of every human life is ignored.

Because I believe abortion is a crime against the personhood of unborn babies and our own humanity I ask you to throw out this Bill.

. It is abhorrent that this **Abortion Law Reform Ammendment Bill** was tabled with the full knowledge of recent research which confirms that unborn babies can feel pain as early as 20 weeks gestation. I BELIEVE that the **Women's Right to Choose** means giving mothers the exclusive **RIGHT TO KILL THEIR BABIES** by violating their maternal instincts....MURDER

please make sure this disgusting bill will not be approved.

Ronald William Hodge
