Subject: Queensland Abortion Law Reform
Date: Monday, 11 July 2016 4:26:22 PM

To whom it may concern;

Correct me if I am wrong, but I have been told that current law reform is being considered 'allowing abortion to be legalised up until the day of birth for any reason.'

If this is correct I would like to register my extreme concern at such a blanket, ruthless disregard for life.

Groundbreaking legislation? Yes, at its worst.

Most sincerely,

Janine Rawson
