Subject: RE OPPOSING the abortion laws
Date: Saturday, 16 July 2016 12:55:36 PM

To Who it May Concern, I am aware this issue will be debated again soon. Just think a citizen can be prosecuted for cruelty or killing of animals. If a parent murders a baby they can be prosecuted. Why then can it be legal to kill a baby, even if it is still in it utero? It is murder of innocents.
