I am deeply concerned about Mr Pyne's bill, the *Abortion Law Reform (Women's Right to Choose) Amendment Bill 2016*. *This Bill:*

- Would allow unborn children to be KILLED right up to the moment of birth;
- Ignores the serious physical and psychological effects of abortion on women;
- Could coerce doctors, nurses and health workers into performing a barbaric procedure against their consciences;
- Dismisses overwhelming community opposition to changing the law; and
- Fails to address the desperate plight of women who tragically see abortion as a solution.

I strongly urge parliament to reject this Bill, and protect the unborn child's right to life.
