I'd like to make a submission on Rob Pyne's second abortion bill, as I fully support this bill in conjunction with the first.

Please let it be known that I support the decriminalisation of abortion in Queensland, and the repeal of sections 224, 225 and 226 from the Criminal Code.

I believe that the proposed reforms laid out in this new bill will address the Committee's concerns with a straight repeal of our Criminal Code statutes.

To that end, I support the *Health (Abortion Law Reform) Amendment Bill*, in conjunction with the *Abortion Law Reform (Woman's Right to Choose) Amendment Bill*.

I also urge the Committee to recommend that both bills are debated and voted on together, to reflect the intent of the two pieces of legislation.
