Subject: Oppose abortion bill
Date: Friday, 23 September 2016 6:33:08 PM

Please oppose and reject this second abortion bill that Mr Pyne has introduced.

If left alone and allowed to develop naturally and normally, then a foetus at whatever gestational week, is a human being with a right to live and should be protected. It is protected by law when born so why should it not be protected before birth.

Yours Faithfully

Lyn Avery
