To Whom It May Concern,

My name is Lisa Barnes. I am writing to express my opposition to any changes to current Queensland abortion laws. I oppose changes that remove abortion restrictions, which will allow for late-term abortions and/or removal of restrictions on abortions. Such changes undermine the value of human life, both baby and woman.

Though my email is short, I assure you that my thoughts and opinions on this are strong and well thought out.

I am asking the Health Committee to reject any Bill that changes the current QLD abortion laws.

Thank you,

Lisa Barnes
