**Subject:** Proposed changes to current laws  
**Date:** Monday, 26 September 2016 7:49:22 AM

---

Dear Committee Members,

I am writing to state my strong objection to weakening our current abortion laws on the grounds that I am morally against abortion in all cases, except for possibly where it is a matter of life or death to the mother. It is cruel, barbaric, uncivilised and against all the laws of nature to kill unborn babies and I would be most appreciative if my views would be considered when debating this proposal.

Yours faithfully,  
Rosemary Peteranec
