

From: [Abortion Bill](#)
Subject: [SPAM ?] Mr Pyne"s second abortion bill
Date: Monday, 26 September 2016 10:54:18 AM
Importance: Low

To the members of the Health Committee:

I am disappointed to hear that Mr Pyne MP has introduced or intends to introduce a second abortion bill into the Queensland parliament.

Such a bill is gravely detrimental to the citizens of Queensland and particularly the women of Queensland. Our current abortion laws do not need to be extended.

I request the members of the Health Committee to reject Mr Pyne's second abortion bill.

Regards,
Kerry Boulton
