Dear Sir/Madam,

I implore you to reject the 1st and 2nd Pyne Abortion Bills. I believe it is highly immoral and completely disregards the rights of the unborn. They are still human beings, just simply unborn.

It is reprehensible that abortion could, by some, be considered fair and just right up until FULL TERM. Our society does not need this.

Please, give a very clear NO to this proposed reform, and the plan to limit free speech on same.

Respectfully,
Bev Lenton
