Dear Sir / Madam

I respectfully ask that you reject / oppose the Abortion Bill.

Every child has the right to live, even if they are accidentally conceived, and even if not. I was accidentally conceived, and was going to be aborted, but either wasn't, or survived the abortion attempt. I am now 58 years old, am happily married, have 2 wonderful sons, both married, with the prospect of having grandchildren. What if I was aborted - do my children and prospective grandchildren cease to exist? Does it change the course of history?

Please, please, reject / oppose the Abortion Bill.

Respectfully yours
Helen Bradford
