---

Dear Sir,

I absolutely oppose and resist the abortion bill being proposed.

There are so many reasons I could cite and so much evidence that it would be killing life. I have a daughter trying to adopt a baby and to hear some are willing to abort is very frustrating when so many would want to adopt those aborted babies had they been allowed to live. As well the foster care laws in Queensland are disgraceful and in need of urgent attention to protect the children.

Jillian Denise Crampton
