To the Committee

MP Rob Pyne's second attempt to weaken Queensland's abortion laws with the Health (Abortion Law Reform) Amendment Bill 2016 is outrageous and I oppose his second bill because it disregards public opinion and global trends, allowing late term abortion for viable babies and adding exclusion zones which effectively limit free speech for doctors, nurses, hospital staff and the public..

The child in the womb is human, and deserving of human rights.

So please honour your pre-election pledges to the people of Queensland in which you stated publicly that you would not change current abortion laws

Kind Regards
