Dear Parliament

I wish to add my voice to those that are strongly objecting the changes to the abortion laws. I respect the rights of women however I also respect the right to life and I consider that late term abortion of babies is abhorrent and I cannot, in all clear conscience, stand back and say nothing. We use the word 'terminate' like we are cancelling some kind of transaction - but it is a baby, a viable human being. Therefore I request that parliament reject/oppose this bill and all amendments to it and protects the right of all unborn babies.

Kind Regards

Frances Koops
