To the Queensland Health Committee,

I would like to clearly state my vehement opposition to the 2nd abortion bill by MP Rob Pyne. This bill ONCE AGAIN completely ignores and rejects the clear cut views of the vast majority of constituents and must be defeated.

We will not stand for such a bill that not only dehumanizes the unborn, but also puts women everywhere in SERIOUS risk. This bill also endeavors to limit freedom of speech (through exclusion zones).

I ask the house to honour their pre-election pledges to the people of Queensland stating publicly that they would not change current abortion laws.

Kind regards,
Nicola Goldie
