Dear Sir/Madam,

As a concerned citizen of Queensland, I write to ask that you act on my behalf to oppose the changes to the current abortion bill. It is to our shame that so many children are killed before given the chance to live a life and make a contribution to our society. I don't believe that anybody has the authority to terminate someone else's life without being given the right of appeal. We do not have capital punishment laws in the country, so I believe that we should not be giving further opportunity for the innocent unborn lives to be terminated.

Yours faithfully,

Donna Gallehawk
