I request that you reject the Pyne Abortion Bill (2nd). There has been a recent case before the court where a young woman was raped and murdered as she walked to work. The criminal was convicted of murder of the woman and murder of the unborn child. I wonder why murder of an unborn child and abortion are different. Australia has a very long waiting list for people who wish to adopt children yet we are murdering unborn children. Please reject this Bill.

Kind Regards
