Dear Committee

Please reject this latest abortion bill that has been submitted. I think people forget about the fact that the child in the womb is human, and deserving of human rights – please remember this in your considerations. Please respect the health and rights of women and the unborn to be protected. Please also respect the right of medical staff and the public to freedom of speech. I strongly reject this bill. The earlier one has failed and this one should as well. It just doesn't make sense.

Yours sincerely

Shelley Cassidy
