I wish to strongly convey that in the Heavenly Father God's eyes, Abortion is **murder**. Every life is precious in His sight. **Every life matters**. That's why God sent His only begotten Son Jésus-Christ 2016 years ago born of a virgin to take our place and die on the cross, so that anyone who believes in Him shall not perish (go to hell which is as real as this earth). Go to youtube and start listening to people who have encountered this place.

We need to save lives. Every life has a purpose and a destiny. Even those with special needs. They are here so that we can love unconditionally. Life it matters. Your life matters. Imagine if you were that aborted child not given the opportunity to live to marry to have your own family.

We are living now in Revelation times. Time is short now. The King of Kings and Lord of Lords Jésus-Christ is returning. This time as judge.

Please vote on behalf of the unborn children and be their advocate. Say NO to the murdering of these precious children. Jesus warns not to touch the children. To harm them in anyway. He say's that it would be better a mill stone be placed over one's head and their body thrown into the deepest ocean than to touch one of these. Mark 9:42.

Thank you for reading my email and for your thoughtful consideration.

Yours Sincerely  
Michelle McLoughlin
